

## 2019 Student Achievement Award Winners Announced

To: Presidents and All Members

From: Lori Foote, Associate General Secretary – Professional Services

### For Information

The 2019 Student Achievement Awards, in honour of Marion Drysdale, received an extensive variety of creative submissions from across the province. Last year's Recognition and Promotion subcommittee of CPAC chose this year's theme of Ahead by a Century and it certainly captured the students' imaginations.

After receiving district-winning entries in December, submissions went through rigorous regional and provincial judging. The Regional and Provincial winners can be found below. Please celebrate these achievements within your district and continue to promote this important awards program in your community.
