

## Education Worker Central Bargaining Table Update August 17, 2023

On August 17, OSSTF/FEESO met with representatives from the government and the Council of Trustees' Associations (CTA) at the Education Worker central bargaining table.

OSSTF/FEESO continues to pursue a deal that addresses our concerns regarding the ongoing underfunding of public education in Ontario. As we have shared before, school boards across the province are facing increasing challenges recruiting and retaining education professionals and are being forced to make cuts to critical resources and programs that students need.

OSSTF/FEESO remains committed to securing a fair collective agreement that addresses our Members' needs, is responsive to current economic realities, and ensures students receive the access to the programs, professionals, and supports they need to reach their full potential.

### Future Bargaining Dates

OSSTF/FEESO has confirmed the following central bargaining date with the government:

September 7 – Teacher/Occasional Teacher  
September 11 – Education Worker  
September 12 – Teacher/Occasional Teacher  
September 26 – Education Worker
