About OTIP

For over 40 years, OTIP (Ontario Teachers Insurance Plan) has been providing unique insurance solutions for Ontario's education community. OTIP is a non-profit organization directed by a Board of Trustees with representatives from each of the four education affiliates (AEFO, ETFO, OECTA and OSSTF).

Early Intervention Support for Over Ten Years

The OTIP Early Intervention Program is supported by a team of caring professionals who help members navigate the road back to recovery and return to work. This may also include information and assistance to help members lead a healthy and balanced lifestyle.

OTIP Early Intervention Program

Where the process begins:

1. **Your Local unit or employer** notifies OTIP when you are absent from work for 11 to 20 consecutive days or more (based on your plan).
2. **A Member of the Early Intervention Team** contacts you by phone to:
 - ▶ provide you with information about the program
 - ▶ determine how to best meet your individual needs

OTIP Early Intervention

Is a confidential support program offered to you at no cost through your LTD insurance plan. Services offered through this EI program often help to prevent, or shorten, the duration of disability claims.

Your privacy

OTIP respects your privacy. The medical information that you provide to OTIP stays with OTIP, and will be used for the purpose of providing you with the services you require.

How the program works

The focus of this service is to evaluate your needs in the early stages of a medically related absence from work.

Once your situation has been assessed, your EI Rehabilitation Consultant will provide individualized assistance and support when required, to help facilitate your recovery.

This early intervention focus provides an extra level of advocacy and support for our members.
