

# OSSTF District 7 TBU WORKING CONDITIONS SURVEY Semester 2

Member's Name: \_\_\_\_\_ School/Worksite: \_\_\_\_\_  
 Non-BWDSB email: \_\_\_\_\_ Are you:  TBU (FTE)  OT (LTO)

Each semester, the TBU asks our members to report on their working conditions with regards to how instructional (classroom/non-classroom) assignments and supervisions are being carried out. This is one of the primary ways we collect information from you, and it allows us to identify and track possible violations of our collective agreement. In some cases, we find that what has been published through school timetables and supervision schedules may not be entirely reflective of what is actually occurring day-to-day within the schools. This may lead to the filing of grievances, if the matter cannot be resolved in other ways. **We ask all members to please take the time to complete the applicable portions of this survey, and return it to your branch president by Friday, March 22, 2019.**

1. Please list your teaching assignment by period (including all splits) and your current class size. Please include all non-classroom assignments (i.e. SERU, LRT, SSCT, Alt. Ed., Co-op, Library, Guidance, etc.). For co-op assignments, please indicate the number of credits per period.

PERIOD	COURSE CODES / ASSIGNMENT	CLASS SIZE
A		
B		
C		
D		

2. Do you have students who are attending your class who do NOT appear on your class list? If yes, please provide the period, course codes, number of students, and any relevant details:

---

---

---

3. Do you have students who are *not registered* and who are *not attending* your class, but for whom you are still required to deliver and evaluate course materials? If yes, please provide the period, course codes, number of students, and any relevant details:

---

---

---

4. Do you have any students who are completing credit recovery in a non-credit-recovery period? If yes, please provide the period, course codes, number of students, and any relevant details:

---

---
